### Join us for a fantastic weekend of training in the English Riviera!

The Torbay Leisure Centre in Devon is a great venue for our Summer Camp. It has a large sports hall with a sprung wooden floor, ideal for training. The centre also has a range of facilities on offer for family and friends to enjoy whilst training is happening including a 33.3m indoor pool, gym and a Café-Bar. The leisure centre is only a 5 minute walk away from Goodrington Sands which has a large sandy beach with excellent facilities. That's not all: There's the Seashore Centre, delightful walking, and Goodrington Railway Station from where you may join a steam train running on the old GWR line between Paignton and Kingswear, where you can take the ferry across the River Dart to Dartmouth. Torquay is only 10 minutes away by car and Brixham is only 15 minutes away. This will be a great weekend with eight hours of training, plus quality time for relaxing and socialising. The schedule allows you the flexibility to get as much out of the weekend as you possibly can.

## Travel and Accommodation

**Travel by Air:** Exeter Airport (<http://www.exeter-airport.co.uk>) is the closest airport and is 28 Miles from the venue. It has regular scheduled direct flights from Dublin and other European airports through Flybe (<http://www.flybe.com>). There is no railway station at the airport but Exeter has two train stations both about 5 miles away that have regular trains to Paignton train station. Car rental is available at the airport through Avis, Europcar and Hertz. A taxi service is also available. All information is available on the airport website.

**Travel by Rail:** Paignton Train Station is located in the centre of the town and is less than 1 mile from the leisure centre. Times and tickets can be checked and purchased from the National Rail website (<http://www.nationalrail.co.uk>). There are 100's of B&B's and hotels within walking distance of the train station.

**Travel by Coach:** National Express (<http://www.nationalexpress.com>) runs regular coaches to Paignton. The drop-off and pick up point is at Victoria Coach Park just around the corner from the train station in Paignton. Coach times can be checked and tickets can be purchased from the National Express website.

**General:** Approximate Distances in Miles from the venue are Bristol 100, Birmingham 180, London 190, Leicester 220, Nottingham 230, Sheffield 270, Newcastle 380, Edinburgh 460. More information about the local area can be found at the English Riviera website (<http://www.englishriviera.co.uk>).
